**THIS

# Hi there!

We are so glad the Claire Marie Agenda has made it into your hands! It is a project close to our hearts!

Claire Wagonhurst was an aspiring artist with a clear vision of her professional future in interior design. Accepted to college just days before passing away from melanoma at the age of 17, Claire firmly believed everyone should embrace joy, color and beauty into their daily lives—with just the right amount of attitude!

With that inspiration, we have filled this book with awesome creations from a collection of artists—many of whom were Claire's friends—along with some of her favorite thoughts and necessary life reminders.

2019 is here! Your year is unwritten! All things are possible! These blank pages are waiting for you to fill them with the story of your life. We hope you find something to make you smile and celebrate life every day! In other words—we hope you #LiveLifeLikeClaire!

# Claire's Story

*Southern Charm* Claire Wagonhurst  
Oil on Canvas

In 2011, Claire Wagonhurst was a typical 14 year old—looking forward to her freshman year of high school, her blue eyes sparkling in excitement at all the possibilities.

Then she blinked.

A mole on her ankle began to change. We immediately moved to have it biopsied but were delayed by a plastic surgeon's office which told us "Kids don't get melanoma." They were wrong. Claire had developed adolescent melanoma.

How did this happen? In short, Claire simply became a teenager. Hormonal changes, which routinely occur in puberty, prompted development of her melanoma. In fact, melanoma diagnosis in adolescents and young adults has increased 253% in the last 40 years for a multitude of reasons, making it the second most common cancer in adolescents and number one cancer in young adults. Sadly, those statistics were ignored by the medical community.

Although blindsided by her diagnosis, Claire accepted no option but success. For three years, she fought hard with a quiet resolve, her sense of humor and joy of life fully intact. Through debilitating treatments, Claire still managed to maintain her academics, sports, competitive aerobics and design studies. She always found a reason to smile and celebrate life.

Just days before she passed away in October of her senior year, Claire learned she was accepted into two colleges to study design, her longtime dream. She was thrilled and still making plans for her future which included advocacy to raise awareness of melanoma in young people. As her family, we now champion that cause through the Claire Marie Foundation where we have created a new narrative by preventing and diagnosing melanoma in adolescents and young adults. You can learn more about us at [www.clairemariefoundation.org](http://www.clairemariefoundation.org). and check us out on Instagram, Facebook and Twitter.

Thank you for supporting Claire's mission and for sharing her passion for life! We hope you enjoy this book as you celebrate the joy, color and beauty she embraced every day.

XO

Rocky, Marianne and Hillary Wagonhurst and everyone at the Claire Marie Foundation

# MEET THE ARTISTS

Three cheers to the wicked talented artists that contributed their time and work to the inaugural Claire Marie Agenda! Without them these pages wouldn't shine as bright and we hope their artwork helps make remembering a certain deadline or scheduling a dreaded doctors appointment a little less "bleh". We encourage you to check out their amazing work and reach out through the contacts provided. Supporting emerging artists is all the rage these days!

Bringing the initial concept of the Claire Marie Agenda to life were Katherine Boggs and Casey Pasquarella. Katherine served as the main point of creative direction, adding fun quirks to the planner like stickers, drawings, and miscellaneous pops of color and flair. Casey formatted the layout of the book from scratch and put everything in the perfect place to give you the most ideal agenda. *The Claire Marie Agenda!*

AGUST

The image features the word "AGUST" in a highly stylized, bubbly font. Each letter is filled with a light pink color and has a thick, bright orange outline. The letters are arranged in two rows: "A" and "U" on top, "G" and "O" in the middle, and "S" and "T" on the bottom. The letters are decorated with several five-pointed stars in shades of pink, orange, and yellow, scattered across and around them. The overall style is playful and celebratory.

The image features a vibrant watercolor background with washes of yellow, orange, and blue. It is decorated with black dots, horizontal lines, and pieces of gold leaf. The word "September" is written in a large, elegant black calligraphic font across the center. The background elements are scattered and layered, creating a rich, textured effect.
